### NARRATIVE:

Waymon Coleman has an extensive adult criminal history that began at the age of 24. His convictions include child molestation, possession/purchase for sale of narcotic controlled substances, violation of parole, robbery, burglary, possession of narcotic controlled substances, and failure to register as a sex offender. He has served multiple incarcerations, the longest being a 4 year term for possession/purchase for sale of narcotic controlled substances. Coleman was released from state prison to the supervision of the Los Angeles County Probation Department on March 30, 2013. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in December 2014 after he absconded from post release community supervision (PRCS). Coleman qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for possession of narcotic controlled substances is defined as non-serious and non-violent under the California penal code. His prior criminal history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
